MASSACHUSETTS ASSOCIATION FOR
INFANT MENTAL HEALTH

INFANT MENTAL HEALTH ENDORSEMENT® Infant Family Specialist

Scope of work:
Prevention

WHO

- Early Intervention Provider
- Infant/Toddler Educator
- Home Visitor
- Early Childhood Mental Health Consultant
- Child Welfare Case Manager
- Family and peer support
- Other...

Serves children
ages 0-3

DO YOU...

- Help parent's "see" the infant/young child as a person?
- Recognize protective and risks factors of infancy and make appropriate referrals?
- Share with families an understanding and appreciation of family relationship development?

DO YOU...

- Assist families to anticipate, obtain, and advocate for concrete needs and other services from public agencies and community resources
- Seek reflective practice mentorship as a way to deepen your work with families
- And more?

IF YOU ANSWERED YES...

You prevent barriers to the development of positive social emotional well being in infants and young children by joining with and giving attention to the primary adult relationships surrounding that child!

RECOGNIZE YOUR EXPERTISE

Endorsement® connects your professional experiences with a set of competencies that recognize your infant and/or early childhood mental health prevention expertise.

BENEFITS OF ENDORSEMENT®

- Enhance the quality of your relationship-based services
- Participate in ongoing and targeted professional development opportunities
- Join an international network of infant and early childhood professionals
